HAJJ 2019 **EXPERIENCE** testimonials

We will certainly be recommending to all our family and friends to use Sara International Travel UK for their Hajj experience. It's simply a no brainer!

If you are thinking of going on Hajj and looking for not only a reputable travel company, but also a company who will go out of their way to help you at every stage of your Hajj experience, then Sara International Travel by far your only solution. Whether this is your first Hajj, or even if you've been five times before.

The guys showed us time and time again how they went above and beyond what most of their competitors do. The attention to detail of every aspect of our hajj experience was simply wonderful. Ensuring us that all we needed to do was focus our attention on the spiritual aspects of our Hajj. The help and support we got from the team leaders and admins whilst on our Hajj was also a major part of our experience being a positive one. We will certainly be recommending to all our family and friends to use Sara International Travel,!

The biggest compliment we can pay Sara International Travel UK is that if we had an unlimited budget for any VIP package for the next hajj, we would choose to go with you guys again on the same package. Jazakhallah khair - may Allah reward you all for your efforts.

We thoroughly enjoyed the whole journey from the day we arrived in Azizyah, to the moment we left Madinah. A special mention for the amazing admins for all the effort and for always going above and beyond in providing great assistance to us all. My father, brother and I have had nothing but praise for the way the trip was organised and service we received throughout.

I am happy to recommend Sara International Travel for your hajj requirements, as they provided me with a tailor made package. I received very good overall support and guidance from the accompanying scholars and admin team. In fact, the team were responsive to all my queries and worked hard to fulfil the needs of the group, and were available 24/7.

It was an absolute privilege and honour for my family and I to travel on hajj with Sara International Travel group. From the outset, brother Naveed and the entire admin team were excellent in providing full support needed in preparing for this journey. The organisation prior to and throughout the trip was brilliant and the level of care provided was superb. The group genuinely felt as one big family!! The Ulema that attended worked tirelessly and sacrificed their precious time to provide full support and motivation to the entire group throughout the journey. Alhamdulillah we are so grateful to have been blessed to attend hajj especially with such a wonderful group. May Allah reward everyone who helped make this journey unforgettable and may He accept our hajj.

Thanks for 'spoon feeding us' - we needed it! This really helped us to focus our concentration on the true purpose of our journey rather than being distracted by other detail.

Definitely an experience of a lifetime! It was very comforting to have experts on hand to advise when required. The reflective reminders and guidance for the Hajj days in Makkah to the etiquettes of visiting Medina were invaluable! The 'Essentials of Hajj and Umrah' guidebook that was provided was also a resource I will always treasure. Many thanks to all the Shayukh, and especially to

our beloved Shaykha for their 24 hr support. Also, a special thanks to all the Sara International Travel UK Admin team, especially brothers Naveed, Ifraz, and Shiraz for facilitating this journey for us! They provided an excellent communication service via WhatsApp and were always two steps ahead of what we might need; from organising the sim cards, details of the laundry service, and many other things!

May Allah reward you generously in the dunya and hereafter, and may He make your deeds weigh heavily on the scale and provide ease for you in this life and the next.
Ameen!

I would not hesitate to go again with Sara International, and I will be recommended them to my family and friends. May Allah reward all of those who were involved.

Alhamdulillah, we had an amazing experience for Hajj 2019 (1440AH). From the point of the package being advertised to the point of returning, we were supported throughout our trip. All questions and queries were answered with a smile. We were blessed to have four teachers accompany us on this trip, including a female teacher who was a massive support for the females. All type of questions - from fiqh to spirituality - were answered, and we had seminars in preparation for the various stages of our journey. The admin team worked around the clock to support us. The organisers had scouts on the ground who provided a massive deal of support. I required a doctor in Arafah and was pleased to know there was one travelling as part of the group, and there and then the doctor prescribed me some medication. Many travelling in our group all shared the same experiences.

MAY ALLAH BLESS THE SARA INTERNATIONAL TRAVEL AND THE SCHOLARS WHO REALLY MADE A DIFFERENCE. THEY TRIED TO GIVE US AN EXPERIENCE OF A LIFE TIME, GIVING RELIGIOUS GUIDANCE BEFORE AND DURING HAJJ. THEY ALSO GAVE SPIRITUAL GUIDANCE WHICH LED TO SPECIAL MOMENTS. IN MY OPINION, THEY HELPED TO MAKE THIS A VERY SPECIAL HAJJ FOR ME.

I must admit that what Sara International Travel UK did could not have been done by anyone else, we were the lucky ones with a good group, great admins, and best scholars. Thank you once again

I would like to thank your team for the fantastic service you provided for us on our Hajj. Alhumdulillah everything went well, and the admins were all amazing personalities that I have a lot of love for.

I would also like to thank the scholars who were always on hand to answer our queries and stuck with us until our last day - constantly keeping us focused, steering us in the right direction, and enabling us to open our hearts

Tanzeel Mushtaq (Birmingham, UK)

Sara International Travel UK were very professional and well organised and have been the most helpful hajj company I have been with. Everything ran smoothly from visas, to arriving at hotels, and transport to different sites. The scholars involved were the best I've come across - very knowledgeable, approachable, and down to earth.

I tried to think of something negative to make my testimonial more constructive, but simply don't have any real complaints. This is testament to the Sara International Travel UK organisation and the genuinely nice people that we met along the way including the organisers, Shaykhs, and scouts. I can't speak for other groups, but I most definitely would only use this group for future, and would highly recommend them to anyone planning Hajj.

I had a truly amazing hajj experience, Sara International provided a very professional service. Our accommodation was excellent and in very close proximity to the holy sanctuaries. Communication was excellent and our group leader always endeavoured to keep us updated on daily events.

We were provided with a schedule for our two week stay before we started our blessed journey and it was adhered to at all times. We knew exactly what the programme for each day would be when we were there. The Shaykhs were always available to answer any queries we had, and the lessons that were delivered online before our journey were very beneficial too. The daily seminars increased our knowledge and spiritual connection to the rituals we were performing. This enabled us to feel closer to Allah and our master Muhammad may infinite peace and blessing be upon him.

Since returning from Hajj, I've already shared the experience with family and friends. Hajj 2019 with Sara International was an excellent experience. The administration and communication with the hujaj before and during the journey was excellent. The WhatsApp group was actually set up months before Hajj and was invaluable. The daily contact with scholars was a key feature of Hajj and was one of our main attractions pre booking. I look forward to returning to Hajj one day inshallah with this group.

The spiritual experience was what initially attracted me and the support I felt immediately from Brother Naveed helped me decide on booking with Hajj 2019 experience. From my first phone call to Sara International Travel UK in December, to returning home after Hajj was the most supportive experience I have had.

The knowledge shared by the sheikhs inspired me and helped me understand my Hajj journey, making it a spiritual experience and helping me achieve the best from my Hajj experience. I have returned from Hajj feeling very grateful that I had Hajj experience 2019 guiding me and supporting me to achieve the best out of my long awaited Hajj journey. A heartfelt thank you to Hajj Experience 2019, to Shaykh Waseem for sharing his inspirational knowledge, and above all to Brother Naveed for his efforts in going above and beyond in supporting, helping and assisting us, making my Hajj journey a successful, rewarding and memorable experience of a lifetime.

I've been waiting almost 20 years to perform Hajj. We decided late that this was the year and didn't know the group at the time. Al-hamdulillah from the very first point of enquiry, Sara International Travel UK was detailed and informative. The organisation, before during, and after was superb. The tireless pilgrim support from the likes of Naveed and Shaykh Waseem etc. was incredible. I can't thank them enough for their khidma and I can't recommend them highly enough.

Javed Khan (Wakefield, UK)

With their attention to detail, Sara International UK covered all aspects throughout the blessed journey, allowing me not to worry about anything and dedicate the precious time in worshipping Allah and the remembrance of our beloved Prophet Muhammad (peace be upon him).

BY the Will of Allah (and Sara International being the means), my hajj experience of 2019 was unforgettable. From the moment I left home to the moment I came back to the UK, Alhumdulillah everything was perfect.

Sara International are a very well organised team, offering full support throughout the journey and dedication to fulfilling the needs of the Hajjis and much much more!

May Allah SWT continue to bless the guys and I pray that I am able to accompany them for Hajj again aswell as other blessed journeys
In Sha Allah

I would highly recommend Sara International Travel UK to anyone. The admin team and organisers worked tirelessly around the clock to make sure that our trip is was as seamless as possible, that we were comfortable, and that our needs were met in every possible way.

There was great support and concern even for those doing a walking Hajj despite us being separated from the main group. The presence of different Shayukh was invaluable and really increased the spirituality of the journey. The Shaykhs set a very high example to follow and were very happy to help with any questions or issues. Having a female scholar was vital for the women and without Shaykha Noshin's very kind assistance, many of us would have struggled or made errors. The people that I met on this trip really made it a beautiful experience.

Alhamdulillah what an amazing experience! Words will not do justice in describing our Hajj experience with Sara International Travel.

Brother Naveed and the team were extremely helpful from the initial booking phase right to the very end of this momentous journey. The team could not do enough to assist us, not only physically, but also spiritually - ensuring that we had a thorough understanding of the actions we had to perform and how to attain the maximum benefit from being in the holy sanctuaries.

We had a team of very approachable scholars as part of our group who were truly inspirational and delivered regular timely lectures throughout the trip.

It has been a great honour to meet and travel with the Shuyukh, organisers and fellow Hajjis.

Brother Naveed is an extremely meticulous individual and he ensured that the trip was organised to perfection. May Allah bless them all for their efforts.

All in all, the service was 5* and the reward for the khidma provided by the Shaykhs and the organisers is truly with Allah.

It was an honour for my family and I to travel with Sara Travel and we have met some amazing individuals along the way.

I would most definitely recommend travelling with Sara International Travel!!

Furkaan Hashim (Burton Upon Trent, UK)

After an amazing Hajj 2015 experience with Sara International Travel, we were excited, but admittedly apprehensive about embarking on our second Hajj, as our expectations had been set so high during our previous journey. However, Brother Naveed and the entire team exceeded the high standards we were accustomed to during our last trip and had made improvements in areas that we could not have envisaged.

Prior to departing for Hajj, the highly organised administrative team arranged an informative seminar detailing what to expect on our journey. Additionally, our inclusion on the Hajj experience WhatsApp group allowed us to benefit from logistical recommendations prior to Hajj,

be kept up to date with visa progress and provided daily step-by-step support throughout the duration of the trip.

Throughout the trip daily lectures, spiritual reminders and dhikr gatherings were facilitated by a diverse group of scholars, both male and female, thus catering for everyone. The Essentials of Hajj & Umrah pocket guidebook, provided by the team, has a great layout, is concise and proved the perfect travel companion. Ziyarah tours also took place in both Makkah and Madinah detailing areas of significance from the blessed Seerah.

My family and I cannot praise brother Naveed and his team highly enough - we are completely indebted to their hard work for coordinating such a smooth journey and would, without hesitation, recommend Sara International Travel to anyone to facilitate their Hajj journey in the future. We pray in earnest for the opportunity to return to the blessed lands with the Sara International Travel team!
